TASTING NOTES

appearance	A brilliant straw yellow and a persistent perlage.
nose	The bouquet is extremely elegant, yet varied and complex. There is a dominant floral note that is reminiscent of broom, enriched by hints of bergamot and aromatic herbs.
palate	The complexity is transformed on the palate into an explosion of vitality, as if time has stood still: the fruit is counter-balanced by a freshness that gives it a support and makes it complete. Delicately spicy tones fill out a taste profile of memorable finesse and incredible length.
