

Visit Ferrari Wineries safely

Ferrari Wineries are ready to welcome their visitors again on a journey through its centenary history. Ferrari is committed to providing the safest hygienic conditions, to let the visitors enjoying their experience in tranquillity.

To preserve your safety, we will behave following those indications:

the wine cellar tours will be organized in small groups;

at the entrance, the body temperature will be measured. In case the values will be higher than 37.5 or flu-like symptoms the access will be denied;

Ferrari will provide the guests with disposable masks with adapt safety measures. The masks must be worn all the time of the stay;

Ferrari offers eligible instruments to sanitize your hands;

respect the personal distance among people of two meters. Follow the indications of the guide, and during the time of the tour, please do stop on the exhibited spots;

the final tasting will be warranted with a single tasting position sits, distanced from the others, and paired with mono portion breadsticks.

All the facilities and the equipment are cleaned and sanitized on a daily base.

We thank you for your cooperation,

Ferrari Trento
